November 1, 1974

Dear Fellow Arachnologist:

It is my pleasure to invite you to the 1975 meeting of the American Arachnological Society, June 24-26, 1975, at Central Missouri State University. This will be the first meeting to incorporate the informally aligned Eastern and Western divisions of our society. It has also been designated our first international meeting, and we welcome foreign members and interested persons from abroad especially.

Tentatively, we propose a central theme, The Phylogeny of the Arachnida, and, although papers on other matters will also be well received, those related to this theme will be especially welcome. The climate should be agreeable and the collecting good at this season. The personal associations cannot fail to be superb, and we will try to make your visit pleasant and profitable.

Warrensburg is located about 50 miles east of Kansas City, and it is served by Midcontinent Buslines and Amtrak. Moderate cost conference-type accommodations and meals will be available on the campus, and there are motels and camping facilities in the vicinity.

It will be especially helpful for our planning to have early notice of attendance. We will send additional details on conferees and the program early in the spring to those who indicate that they plan to attend, and we will greatly appreciate your returning the bottom portion of this sheet by January 1, 1975.

Sincerely yours

Bill Peck

MEETINGS AND PRESENTATIONS: All meeting sessions will convene in the main lounge of East Hudson Conference Center, the same building in which housing accommodations are to be had.

In order not to prolong the formal sessions unduly, papers, including discussion of them, should be limited to the time schedule of the program. Chairmen of the session will moderate the questions and comments following each paper and terminate over-extended presentations and discussions to adhere to the schedule.

Slides or films that are to accompany a paper should be given to the projectorist 15 to 30 minutes prior to the session in which they are to be used. Please pick them up from him at the end of the session.

SOCIETY SUPPER AND FIELD TRIP: Wednesday afternoon and evening are informal respite periods. School buses (regrettably) will leave the front door of the Conference Center at 1330 to take all who wish on a 70 mile, four hour trip to Fort Osage, a reconstructed frontier outpost overlooking the Missouri River. Collecting may be done in the surrounding area that includes both open meadow and forest habitats, and there is a museum on the grounds devoted to local pioneer and Indian history. About two hours will be spent at the fort. Please indicate your intention to use the bus at the registration desk, and you are asked to contribute \$1.00 for the transportation of any non-registered "adjunct" who wishes to make the trip.

The supper will be informally served about 2030 around the swimming pool of "The Abode" at 119 West Culton, downtown Warrensburg, about 10 blocks from the Conference Center. You may enter the pool area through a wooden gate around the corner from the Abode's Culton Street entrance. You may swim if you wish and change on the premises. A separate bar with moderately priced beer and other drinks will be open in the pool area. The cost of the supper, exclusive of drinks, is \$3.00 which should be paid at the registration desk before 1800 Tuesday.

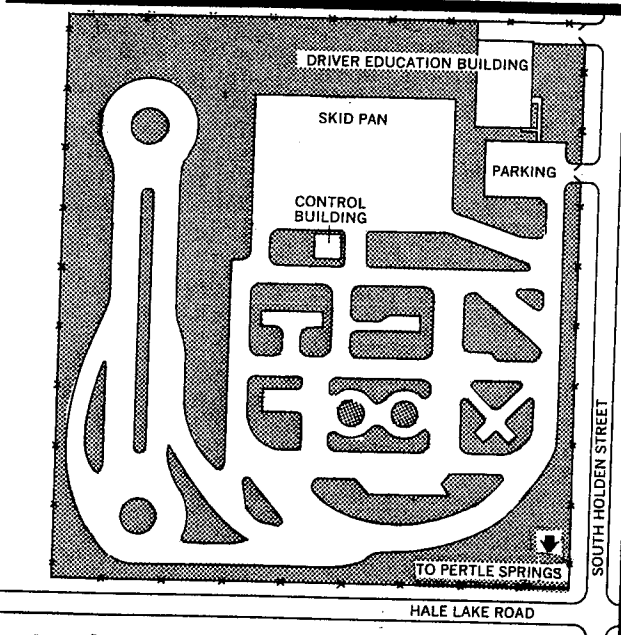

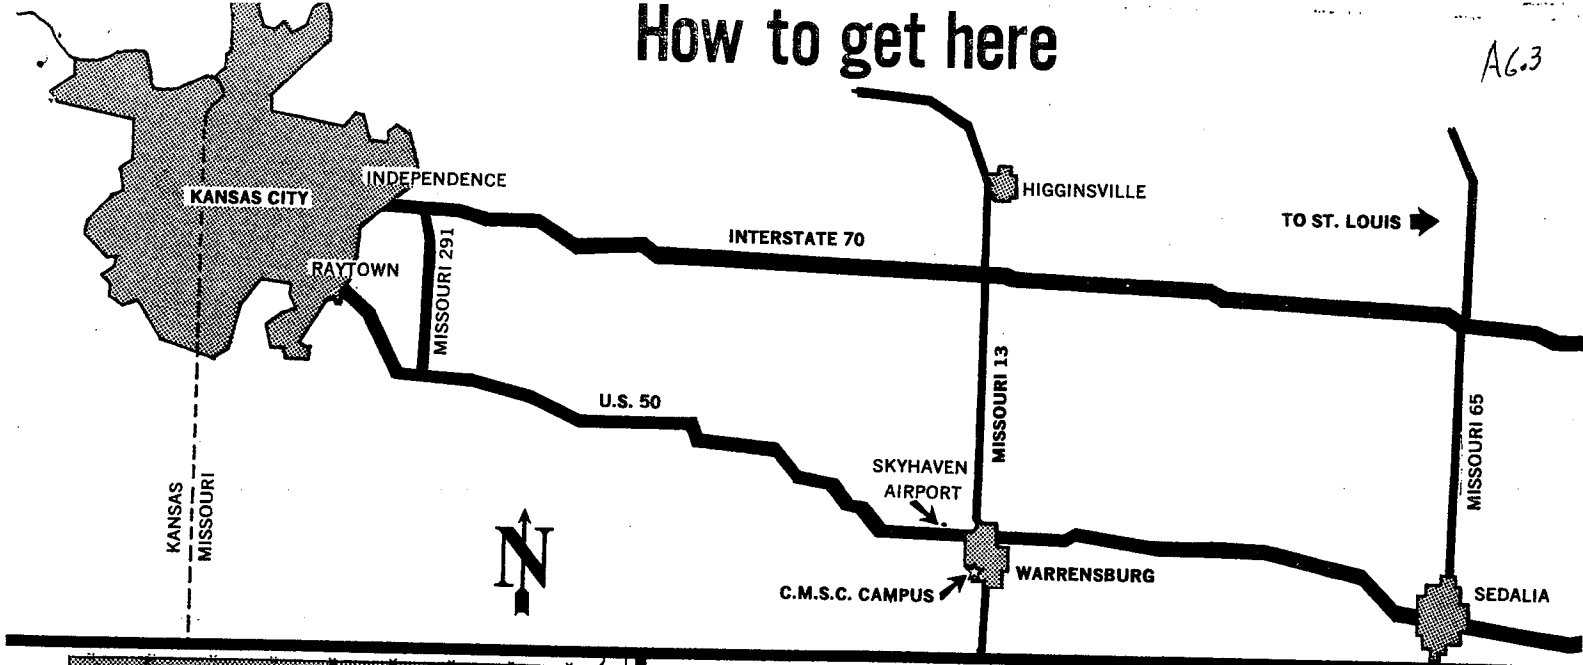

MEALS IN GENERAL: Meals may be had in Ellis Hall, across the street from Hudson Conference Center, for \$1.00, \$1.25, and \$1.75 for breakfast, lunch and supper respectively. Meal tickets for any combination of meals may be purchased at the registration desk or each meal may be paid for as you enter. A separate dining room has been arranged for persons who are attending the meetings. Regular breakfast is served from 0645 to 0800 and a continental breakfast from 0800 to 0900. Lunch is from 1100 to 1315 and supper from 1700 to 1815.

The University Union has a cafeteria on the ground floor whose schedule of operation is the same as above, and there is a snack bar open from 0700 to 2200. There are various restaurants and quick snack establishments in the town but none that would qualify in the "petite gourmet" category. Alcoholic drinks other than beer are available only at the Abode and the Holiday Inn. There are several beer parlors in the downtown area. Alcohol is prohibited on state property.

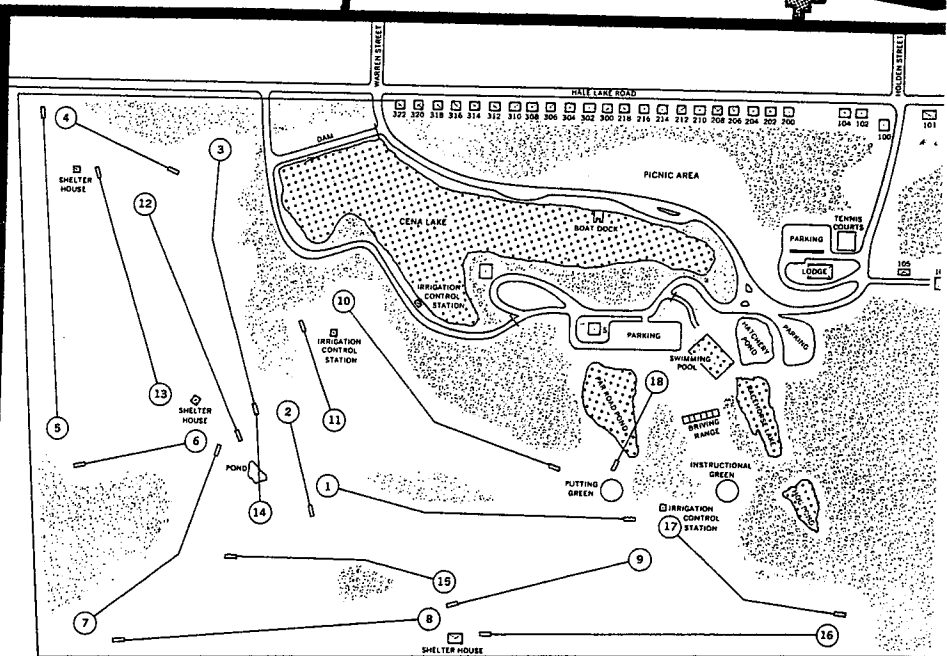

UNIVERSITY FACILITIES: A guest parking lot is just across the street from the conference center. A guest decal should be obtained at the registration desk and appended to your car to avoid a hassle with campus traffic security.

A list of various recreational facilities that are available is posted on the bulletin board with a schedule of fees. If you plan to use any of them, please get a guest card at the registration desk.
