

CONTENTS

THE JOURNAL OF ARACHNOLOGY

VOLUME 12

SUMMER 1984

NUMBER 2

Feature Articles

- The Erigonine spiders of North America. Part 7. Miscellaneous genera
(Araneae, Linyphiidae), *A. F. Millidge*. 121
- New cavernicolous pseudoscorpions from California (Pseudoscorpionida,
Chthoniidae and Garypidae), *William B. Muchmore*. 171
- A revision of the *Aname maculata* species group (Araneae, Dipluridae)
with notes on biogeography, *Robert J. Raven*. 177
- Overwintering aggregations of *Leiobunum paessleri* in caves and mines
(Arachnida, Opiliones), *Robert G. Holmberg, Nello P. D. Angerilli*
and *Len J. LaCasse*. 195
- New and redefined species belonging to the *Paruroctonus baergi* group
(Scorpiones, Vaejovidae), *Richard M. Haradon*. 205
- Courtship behavior and life cycle of the wolf spider *Schizocosa mccooki*
(Araneae, Lycosidae), *Gail E. Stratton* and *Donald C. Lowrie*. 223
- Phylogenetic review of the genus *Miagrammopes (sensu lato)* (Araneae,
Uloboridae), *Brent D. Opell*. 229

Research Notes

- The male of *Schizomus sbordonii* Brignoli (Schizomida, Schizomidae),
James C. Cokendolpher and *James R. Reddell*. 241
- Egg sac 'theft' among *Latrodectus hasselti* females (Araneae, Theridiidae),
Michael F. Downes. 244
- A simple method for measuring desiccation resistance in spider egg sacs,
Brent D. Opell. 245

Others

- Erratum for: Faber, D. B. 1984. Sexual differences in body proportions
of *Zygoballus rufipes* Peckham and Peckham (Araneae, Salticidae):
An effect of cheliceral and leg allometry. *J. Arachnol.*, 11:385. 247
- Nomenclatural Notes 248
- Grants-in-Aid for Research 248
