The Journal of Arachnology

Volume 26

Feature Articles

Number 1

- Redescription of *Compsobuthis mattheissen* (Scorpiones, Buthidae) from Southwestern Asia **by W. David Sissom and Victor Fet** 1
- A New Fossil Harvestman from Dominican Republic Amber (Opiliones, Samoidae, *Hummelinckiolus*) **by James C. Cokendolpher and George O. Poinar, Jr.** 9
- Description of Three New Species of *Neonella* (Araneae, Salticidae) **by María Elena Galiano** 14
- Notes on the Neotropical Spider Genus *Modisimus* (Pholcidae, Araneae), With Descriptions of Thirteen New Species from Costa Rica and Neighboring Countries **by Bernhard A. Huber** 19
- Predation on Social and Solitary Individuals of the Spider *Stegodyphus dumicola* (Araneae, Eresidae) **by Johannes R. Henschel** 61
- Behavioral Asymmetry in Relation to Body Weight and Hunger in the Tropical Social Spider *Anelosimus eximius* (Araneae, Theridiidae) **by Dieter Ebert** 70
- Chemical and Behavioral Defenses of a Neotropical Cavernicolous Harvestman: *Goniosoma spelaeum* (Opiliones, Laniatores, Gonyleptidae) **by Pedro Gnaspini and Alberto José Cavalheiro** .. 81
- The Web of *Nuctenea sclopetaria* (Araneae, Araneidae): Relationship Between Body Size and Web Design **by Astrid M. Heiling and Marie Elisabeth Herberstein** 91
- Dispersal in the Solitary *Stegodyphus africanus* and Heterospecific Grouping with the Social *Stegodyphus dumicola* (Araneae, Eresidae) **by U. Seibt, I. Wickler and W. Wickler** 97
- Stabilimentum-decorated Webs Spun by *Cyclosa conica* (Araneae, Araneidae) Trapped More Insects Than Undecorated Webs **by I-Min Tso** 101
- Copulatory Pattern and Fertilization Success in Male Wolf Spiders Without Pre- or Post-copulatory Sperm Induction **by Fernando G. Costa** 106

Research Notes

- The Effects of Reproductive Status on Sprint Speed in the Solifuge, *Eremobates marathoni* (Solifugae, Eremobatidae) **by Fred Punzo** .. 113
- Chemical Attraction of Crab Spiders (Araneae, Thomisidae) to a Flower Fragrance Component **by Frank-Thorsten Krell and Franziska Krämer** 117
- Notes on the Systematics of the Little Known Theraphosid Spider *Hemirrhagus cervinus*, With A Description of a New Type of Urticating Hair **by Fernando Pérez-Miles** 120
